Kit Styles & Pricing

Paint to Match 1 tone - \$450.00

2 tone - \$650.00

Specialty paints can incur additional cost

Prices are subject to change. Freight charges, installation charges & sales tax vary. All prices in USD (\$). Choose a finish - glossy black or primer gray. Paint to match at additional charge, see left. Paint to match may take up to 4 weeks to ship. All Voyager Convertible Trike Kits include a one-year warranty on all parts manufactured.

Contact your nearest dealer online using our DEALER LOCATOR.

The Voyager is the only convertible trike kit tested for strain and stress by an independent engineering firm. This ensures that the best riding convertible trike kit on the market will last longer than your motorcycle.

CUSTOM

\$4,695.00

The Voyager Custom creates a flow from the front tire to the low style rear guard of the kit. It includes two thick fiberglass fenders (your choice below), the metal low-style rear guard, mounting hardware, suspension hardware, trailer hitch and comes with your choice of 15" chrome or machined gunmetal spoked rims. With a look this sleek you may never take it off even though you can in only 5-10 minutes.

LIGHTS & WIRING NOT INCLUDED

(available with lights & wiring – add \$250.00)

FLARED FIBERGLASS

CHOOSE A FENDER:

Which one will make your bike look great? All of them. That's why you have the choice. **Fiberglass fender and add the H-D style, Tombstone style or Beehive style lights and wiring harness for only \$250.00.**

See "Accessories".

METAL REAR GUARD:

The Low-Style Rear Guard is a standard option with a sleek look. It will cover the rear frame tubing entirely.
